## Welcome to Southern Sicily

Welcome to Southern Sicily with Pride Adventures.

This journey is designed to immerse you in the beauty, history, and culture of one of Italy's most captivating regions, while also creating space for connection, laughter, and shared experiences along the way. From the sunlit coastlines of **Syracuse** to the ancient wonders of **Agrigento** and the vibrant energy of **Palermo**, each stop offers something unique, meaningful, and unforgettable.

This LGBTQ+ group adventure is thoughtfully planned and hosted by Pride Adventures and operated on the ground by our trusted partner G Adventures. Together, we bring you a seamless travel experience

with local expertise, carefully chosen highlights, and the kind of group dynamic that turns a trip into something much more personal.

Whether you are traveling solo, with a partner, or with friends, you will quickly find yourself part of a welcoming and connected group. That is what makes these journeys so special.

---

## Trip Overview ✨

Over eight days, we travel through the heart of **Southern Sicily**, beginning in **Catania** and ending in **Palermo**, with memorable stops along the way in **Syracuse, Ragusa, Agrigento, and Trapani**.

The local currency is the Euro.

We recommend carrying the equivalent of \$200 USD for emergencies.

Most base tips for your CEO and drivers are included. If you receive exceptional service, additional tipping is always appreciated.

As with any destination, remain aware of your surroundings and watch for pickpocketing in busy areas. We recommend exploring with others, especially in the evenings.
