## WHY TRAVEL WITH PRIDE ADVENTURES

Traveling with Pride Adventures means more than just seeing a destination. It means sharing the journey with a welcoming LGBTQ+ community, enjoying the ease of a hosted group experience, and making meaningful connections along the way.

Your trip includes more than the base itinerary, with dedicated hosting, private welcome and farewell gatherings, covered basic tips, pre-trip communication, access to our Departure Lounge, and the added value of traveling through Scotland with an LGBTQ+ group from the start.

## YOUR JOURNEY THROUGH SCOTLAND BEGINS HERE

Discover Scotland with Pride Adventures and the California Gay Adventures community as we journey from Edinburgh to Glasgow on a 9 day adventure shaped by castles, Highland landscapes, whisky country, the Isle of Skye, and the joy of traveling together.

From Edinburgh's Royal Mile to the wild beauty of the Highlands, this itinerary brings together Scotland's history, scenery, and local culture in a way that feels immersive without being rushed.

We'll visit Stirling Castle, explore Pitlochry with a local expert, enjoy a whisky tasting, take in Loch Ness, spend a full day on the Isle of Skye, cruise Loch Lomond, and end in Glasgow with a street art tour and farewell dinner.

Optional Glasgow Pride extension available following the main trip.
